RE: **EM-VER-069-170828** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 1375 North Road, Killingly, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies. The requested modification, as proposed, would load the tower to a maximum of 101 percent of its capacity, which is above the 100 percent limit established by the Council under guidance from the Connecticut State Building Inspector.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies.

Very truly yours,

Melanie Bachman  
Executive Director
