RE: **TS-VER-069-140117** - Cellco Partnership d/b/a Verizon Wireless request for an order to approve tower sharing at an existing telecommunications facility located at 812 Providence Pike, Killingly, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time for this tower share request, dated December 2, 2014. Pursuant to Condition No. 7 of the Council's decision letter dated February 11, 2014, I have considered your request for an extension of construction time for this tower share request and grant a one-year extension of time until February 11, 2016, to complete the construction of this project.

This extension is granted with the understanding that the Council will be notified should Cellco decide not to proceed with construction.

Sincerely,

Melanie A. Bachman
Acting Executive Director

Re: **TS-VER-069-140117 – Cellco Partnership d/b/a Verizon Wireless Request for an Order to Approve Tower Sharing at an Existing Telecommunications Facility Located at 812 Providence Pike, Killingly, Connecticut**

Dear Chairman Stein and Members of The Council:

On February 6, 2014, the Connecticut Siting Council approved the above-referenced tower share request subject to conditions. Since receiving the Siting Council's approval, Cellco has placed this site on hold and has taken no steps to complete the work outlined in the filing. Cellco does, however, intend to complete the work in the calendar year of 2015. We would, therefore, ask that the Council extend the TS-VER-069-140117 approval for one (1) year subject to the same conditions imposed in the Council's February 11, 2014 approval letter.

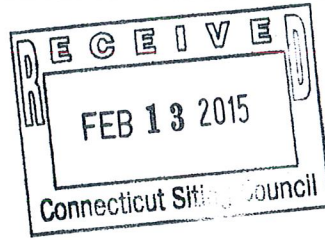

Thank you in advance for your cooperation regarding this request. Please feel free to contact me if you have any questions.

Sincerely,

Kenneth C. Baldwin

TS-VER-069-140117- 812 Providence Pike, Killingly, Connecticut**

Dear Ms. Bachman:

On February 11, 2014, the Siting Council approved the above-referenced tower share application for the existing tower at 812 Providence Pike in Killingly, Connecticut.

Cellco has not yet completed the installation of its equipment and, therefore, requests a 90-day extension to comply with the Council's conditions of approval. Once the installation is completed, Cellco will provide the Council with notice and an engineer's certification letter.

If you have any questions please do not hesitate to contact me.

Sincerely,
