RE: **EM-T-MOBILE-070-210707-161 North Chestnut Hill Road Killingworth, CT**

Non- Completion of Construction Activity

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced T-Mobile telecommunications facilities has not been completed due to a design change. We will re-file the application with the new documentation when available.

If you have any questions or need any additional information regarding these facilities, please do not hesitate to contact me.

Sincerely,

Ryan Clark
