Re: EM-EVER-071-250403e – Eversource Energy notice of intent to modify an existing energy facility located at 181 Card Street, Lebanon, Connecticut.
Notice of Completion of Construction.

Dear Attorney Bachman:

On May 5, 2025, Eversource Energy ("Eversource") received an acknowledgement from the Connecticut Siting Council ("Council") of Eversource's notice of intent to modify an existing energy facility located at Card Substation ("Substation") at 181 Card Street, Lebanon, Connecticut. Among other conditions of the acknowledgement, this submittal addresses compliance with Condition 4, as follows:

- Within 45 days after completion of construction, the Council shall be notified in writing that the construction has been completed along with a representative photograph of the Project.

Accordingly, this letter is to provide notice that construction was completed on October 17, 2025. A representative photograph of the completed modifications to the existing facility are included in Attachment A. Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Denfeld".
