RE: **EM-CING-073-170309** – New Cingular Wireless PCS, LLC (“AT&T”) notice of intent to modify an existing telecommunications facility located at 20 Mell Road, Lisbon, Connecticut.

Dear Mr. Roberts:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on March 9, 2017.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, “...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect.”

Staff has reviewed this exempt modification request for completeness and has identified the following deficiency: the address of the site property is unclear as two addresses for this parcel appear in Town records, 6 Mell Road and 26 Mell Road. Please confirm the correct address of the underlying property.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that QC Development submit the above requested information on or before April 13, 2017. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to April 13, 2017.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Very truly yours,

Melanie Bachman  
Executive Director

MAB/FC
