RE: **EM-VER-075-211209** - Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 333 Grassy Hill Road, Lyme, Connecticut.

Dear Mr. Coleman:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on December 9, 2021. Council staff reviewed this request for completeness and had identified deficiencies that were more fully described in a notice of incompleteness letter to the requesting entity dated January 11, 2022 and recommended that Centerline Communications provide proof of proper notice of this exempt modification request to the Chief Elected Official of the Town of Lyme and provide an updated Structural Analysis Report for the facility that includes proposed equipment by Verizon and other entities that are located at this facility on or before February 10, 2022. To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

A handwritten signature in blue ink, appearing to read "Melanie Bachman".
