RE: TS-DISH-076-221109 – Dish Wireless, LLC request for an order to approve tower sharing at an existing telecommunications facility located at 864 Opening Hill Road, Madison, Connecticut. (Dish ID BOHVN00149A)

Ms. Bachman:

Kindly allow this letter to serve as Dish Wireless L.L.C.'s formal and respectful request for an extension of the attached approval order for tower sharing at the existing telecommunications facility located at 864 Opening Hill Road, Madison, Connecticut. (Dish ID BOHVN00149A).

We are in the process of acquiring new documentation certified by a Professional Engineer that its installation complied with the recommendations of the Mount Analysis as required by the approval letter issued to Dish by the CSC on May 27, 2022. The Same engineer of record has issues with the installation not related to the tower installation which we need addressed prior to their signing off on the site. These items mainly pertain to the power installation.

Your time and consideration is greatly appreciated. Should you have any questions, please don't hesitate to contact me at your convenience.

Thank you.
