RE: **TS-T-MOBILE-077-171002** - T-Mobile request for an order to approve tower sharing at an existing telecommunications facility located at 60 Adams Street, Manchester, Connecticut.

Dear Mr. Pelletier:

The Connecticut Siting Council (Council) received the tower share request for the above-referenced facility on October 2, 2017.

According to Section 16-50j-90 of the Regulations of Connecticut State Agencies, "no tower share application shall be approved until a complete application containing all information deemed relevant by the Council has been filed. Relevant information shall at a minimum include that listed in Section 16-50j-89 of the Regulations of Connecticut State Agencies..."

Staff has reviewed this tower share request for completeness and has identified the following deficiency:

The Structural Analysis Report refers to proposed modification design drawing by TES Job #36710, but this drawing was not provided with the filing.

Therefore, the tower share request is incomplete at this time. The Council recommends that SBA Communications submit the above referenced drawing on or before November 1, 2017. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to November 1, 2017.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie A. Bachman  
Executive Director/Staff Attorney
