RE: TS-EYE-077-160606
Eye-Tower- Crown Site BU: 806372
Address: 266R Center Street, Manchester, CT

Dear Ms. Bachman:

This letter is to confirm that all construction activity has been completed. Pursuant to the Connecticut Siting Council approval of **TS-EYE-077-160606**.

Also, a generator that was to be installed at TS-EYE-164-160606 was instead installed at this location. The Town of Windsor issued a permit to install the generator but when it came time to actually install, the Town of Windsor prohibited the installation so the generator was installed at this Manchester cell tower location. A permit was issued to install the generator.

Please contact me if you have any questions.

Sincerely,

Jeffrey Barbadora
