Subject: 239 Middle Turnpike East - CT Siting Council Submission

Dear Mr. Davis: I inadvertently did not send a copy of a recent CT Siting Council submission for an exempt mod of a Sprint Installation on the Police Dept. Tower at 239 Middle Turnpike East to the Manchester P&Z. The Siting Council has approved an electronic submission of this document to you. Please find it attached. I apologize to you for this oversight.

Best,

Paul F. Sagristano
