Re: **TS-VER-077-140911 – Cellco Partnership d/b/a Verizon Wireless
239 Middle Turnpike East, Manchester, Connecticut**

Dear Ms. Bachman:

On October 3, 2014, the Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facility at 239 Middle Turnpike East in Manchester, Connecticut. Due to delays in structural modifications being completed by others, Cellco has not been able to complete their approved antenna modifications at this site. We will not, therefore, be able to provide the Council with the required "construction complete" notice and engineers certification by the October 3, 2015 deadline, and request an extension of one (1) year to comply with this requirement.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
