RE: Notification of Completion Received/Additional Condition Requirement Outstanding.

Dear Attorney Chiocchio:

The Connecticut Siting (Council) is in receipt of a construction activity completion letter with an attached spreadsheet dated June 14, 2019 listing completion dates for various AT&T exempt modifications as a result of the 1st Quarter 2018 exempt modification/tower sharing audit. Thank you for providing this information.

Please note, however, that some of the exempt modifications decision letters contained site-specific conditions that require written confirmation to the Council certifying that the conditions have been met (spreadsheet attached).

To date, the Council is not in receipt of any communication that the site-specific conditions have been met. You can view the decision letters for each filing on our website at www.ct.gov/csc.

The Council hereby requests compliance on these matters no later than September 15, 2019. If additional time is needed to gather the requested information, please notify the Council in writing.

If you have any questions or concerns, please call the Council office at 860-827-2935.

Thank you for your attention to this matter.

Sincerely,

Melanie Bachman
Executive Director
