RE: **EM-VER-080-150923** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 38 Elm Street, Meriden, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated November 8, 2016, submitted on behalf of Cellco Partnership d/b/a Verizon Wireless, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until October 19, 2017, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Cellco Partnership d/b/a Verizon Wireless need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman  
Acting Executive Director

Dear Ms. Bachman:

Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facilities at the above-referenced locations. Due to delays in its antenna modification program and shifting budget priorities, Cellco has not yet completed the approved antenna modifications. We are, therefore, requesting an extension of one (1) year to complete these modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
