RE: Notice of Completion
Site Name: MERIDEN_NORTH_CT
Location Code: 468208
Site Address: 119 Empire Avenue, Meriden, CT 06450

Dear Mr. Parks:

Mastec Network Solutions is providing this “**Notice of Completion**” regarding to the wireless telecommunications facility installation project at the above referenced site.

The following are the basis for substantiating the compliance with the **Construction Drawings**. Specifically, the installations comply with the:

- **Construction Drawings** prepared by American Tower, dated 01/18/2022.
- **Passing Structural Analysis Report**, prepared by CLS Engineering, dated 10/1/2021.
- **Passing Mount Analysis Report (w/ Proposed Modifications)** by Maser Consulting Connecticut, dated 10/5/2021. The analyses demonstrate that the existing structure and mounts with proposed modifications will not exceed 100 percent of the tower and mount structural capacities for the proposed loading changes.

Site visit and field observations by Mastec personnel on November 25, 2024, of the completed installation show that installation is in general compliance with the aforementioned documents.

The work under this contract has been reviewed solely based upon provided site visit information including photos and was found, to the Registered Engineer’s best knowledge, information, and belief, to be completed in general compliance with the documents referenced above. This certification is not a review of the adequacy or effectiveness of the modification / replacement solution. Should you have any questions, comments or require additional information, please do not hesitate to contact us.
