Dear Domenica Tatasciore:

The Connecticut Siting Council (Council) is in receipt of your correspondence of August 11, 2023, submitted on behalf of Verizon, requesting extensions of time to submit notices of completion of construction and associated post modification inspection reports for the exempt modifications listed (see attached).

The Council hereby grants an extension of time until August 11, 2024, to submit notices of completion of construction and associated post modification inspection reports, if applicable.

This extension is granted with the understanding that the Council will be notified should Verizon need additional time to submit notices of completion and associated post modification inspection reports, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
