RE: **EM-SPRINT-081-180412** - Sprint notice of intent to modify an existing telecommunications facility located at 1 Service Road, Middlebury, Connecticut.

Dear Mr. Perkowski:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on April 12, 2018.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency. The general power density report was not submitted.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Airosmith Development provide the general power density report on or before May 30, 2018. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to May 30, 2018.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director

MAB/FC

c: The Honorable Edward B. St. John, First Selectman, Town of Middlebury
Curtis S. Bosco, Zoning Enforcement Officer, Town of Middlebury
Jackie Donahue, Phoenix Tower International, tower owner
