Final Report of Special Inspections

Project Number: 2021TSC-089-SSI
Address: 134 Kickapoo Road, Middlefield, CT, Middlesex County
Project Title: MRCTB045372 (CTL01016)
Special Inspector: Dmitriy V. Albul
Special Inspector's Address: 3840 E. Robinson Road, Amherst, NY 14228

Albul Engineering has performed a structural assessment of the final equipment installation located on a Monopole Tower at the above referenced address. The tower owner is American Tower Corporation (Site No: 302485).

The final installation consists of the Low Profile Platform that supports the antennas and equipment by AT&T Mobility at 77 feet centerline.

To the best of my information, knowledge, and belief, the Special Inspections required for this project, and itemized in the Statement of Special Inspections submitted for permit, have been performed in general accordance with the approved plans, specifications, and applicable workmanship provisions of the Building Code of Connecticut State, Chapter 17 and all discovered discrepancies have been reported and resolved other than following:

Comments:

The Final Equipment Configuration matches with SMW Engineering Group Construction Drawings, dated June 8, 2020.

Interim reports submitted prior to this final report form a basis for and are to be considered an integral part of this final report.

Please see Final Report of Special Inspection and selected photos from TSC Construction site visit.

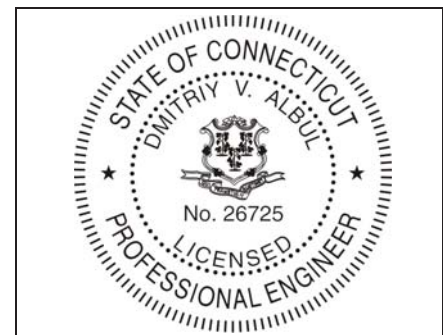

Respectfully submitted,
Special Inspector
