Dear Mr. Barbadora,

Infinigy has prepared the carrier upgrade site design for the above-mentioned site and conducted a final review of the proposed installation for the sole purpose to verify that the installation was completed in accordance with the site plans.

Based on our review of the as-built drawings issued on 09/19/2019, the as-built RFDS issued on 5/10/21 and the post construction photos provided by Crown Castle, it is our opinion that the site was built in general conformance with the site plans as prepared by Infinigy Engineering, PLLC.
