RE: EM-CROWN-084-150324 – Crown Castle International notice of intent to modify an existing telecommunications facility located at 311 Old Gate Lane, Milford, Connecticut.

Dear Mr. Lemley:

The Connecticut Siting Council (Council) is in receipt of an exempt modification filing from Construction Services of Branford LLC on behalf of Crown Castle International, which was received on March 24, 2015, for a telecommunications facility at 311 Old Gate Lane, Milford, Connecticut.

Per Section 16-50j-73 of the Regulations of Connecticut State Agencies, exempt modification notices shall be provided to the municipality, in which the facility is located, as well as the underlying property owner of record and the owner of the structure. For the site listed above, there was no evidence of notice of the exempt modification filing to the underlying property owner. Council staff cannot move forward with review of these filings until proof is provided that the underlying property owner was notified of the exempt modification filing.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie A. Bachman
Acting Executive Director/Staff Attorney
