Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated January 20, 2016, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants an additional six-month extension of time until June 30, 2016, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Dear Ms. Bachman:

On June 24, 2014, the Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facility at 311 Old Gate Road in Milford, Connecticut. Construction has begun at the facility, however the required tower modifications have not yet been completed. We are, therefore, requesting an extension of six (6) months to complete these facility modifications.

If you have any questions please do not hesitate to contact me.
