Subject: RE: ATC Site Notice

Hi Melanie,

I've been able to get some answers on the below site. As it turns out, this was actually an ATC project that has been completed. I have confirmed this with our field technician, who was actually at the site last week and observed the completed work.

Will this email suffice as written notice that construction has been completed, or would you prefer that I draft a letter stating such? I'm happy to do so if that is your preference with this matter!

Thanks,
Nick

Good morning, Nick.

I am doing well. Thanks for asking. I hope you are well, also.

You are correct. We are seeking written confirmation that construction has been completed.

Thanks.

Have a nice weekend.

Melanie

Good morning Melanie,

I hope you are doing well. I just wanted to let you know that ATC has received the attached correspondence and we are working to resolve the issue with the customer. It looks to me like the issue may be that the Siting Council hasn't received a letter of completion, can you please confirm?

Thank you,
Nick
