Re: **EM-VER-084-160829 – Cellco Partnership d/b/a Verizon Wireless (“Cellco”)
111 School House Road, Milford, Connecticut**

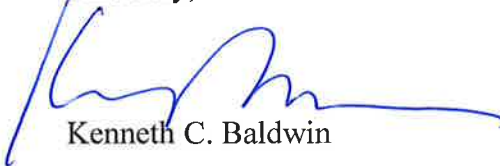

Dear Ms. Bachman:

On September 19, 2016, the Siting Council acknowledged receipt of Cellco’s notice of intent to modify its existing telecommunications facility at 111 School House Road in Milford, Connecticut. Cellco’s modifications involved the replacement of antennas and remote radio heads.

As required by the Council’s approval, attached is a Notice of Completion Certification from a professional engineer verifying that Cellco’s facility modifications were completed in accordance with the January 23, 2017 Structural Analysis Report.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin

NOTICE OF COMPLETION LETTER

March 12, 2019

Mr. Tim Parks
Verizon Wireless
20 Alexander Drive, 2nd Floor, Wallingford, CT 06492

RE: Notice of Completion

Location Code: 117577
Site Name: MILFORD_2_CT
Site Address: 111 School House Road (a/k/a Bic Drive)
Milford, New Haven County, CT 06460
CSC Exempt MOD Reference No. EM-VER-084-160829

Dear **Mr. Parks:**

Nexius Solutions, Inc. is pleased to submit this Notice of Completion regarding the wireless telecommunication facility installation at the above referenced site.

The following are the basis substantiating the compliance with the design prepared by Paul J. Ford & Company:

- Structural Analysis Report prepared by Paul J. Ford & Company dated 01/23/2017.
- Field observations with photos taken by Nexius Solutions, Inc. on 12/17/2018 and 03/06/2019 of the completed installation in general compliance with the Structural Analysis Report, associated construction drawings and manufacture's requirements.

The Structural Analysis Report prepared by Paul J. Ford & Company demonstrates the existing structural apparatus to be adequate for the proposed loading change. The work under this scope has been reviewed and found, to the Engineer's best knowledge, information and belief, to be completed in general compliance with the documents referenced above. This certification is not a review of the adequacy or effectiveness of the installations. Should you have any questions, comments or require additional information, please do not hesitate to contact us.

Sincerely Yours,

Prepared & Approved by:
