RE: **EM-VER-084-181218** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 111 Schoolhouse Road, Milford, Connecticut.

Dear Mr. Barbadora:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on December 18, 2018.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the request. The Construction Drawings (CD) provided with the request and dated November 19, 2018, proposes the installation of a handrail kit (Site Pro1 HRK14) as shown on pages A-3 and A-5. This is not represented in the Structural Analysis Report provided with the exempt modification request, dated November 14, 2018. Also section 4.1) Recommendations of the Mount Modification Analysis Report provided and dated October 29, 2018, refers to modifications which are not included in the report.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Crown Castle provide the modification drawings referenced in the Mount Modification Analysis Report and an updated Structural Analysis Report which incorporates the proposed modifications and is consistent with the CD on or before January 31, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to January 31, 2019.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director
