RE: **EM-T-MOBILE-086-190711** – T-Mobile notice of intent to modify an existing telecommunications facility located at 41 Beckwith Road, Montville, Connecticut.

Dear Ms. Zsamba:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on July 11, 2019.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified the following deficiency:

1. The proposed microwave dish antenna identified in the submittal as "Fastback IBR 1300\_CCIV2" is not represented in the Radio Frequency Emissions Analysis Report. It is also unclear if this is a transmit and receive or receive only antenna.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Crown Castle provide clarification on the signal transmission status of the antenna referenced above and if applicable a Radio Frequency Emissions Analysis Report that incorporates the referenced antenna, on or before August 23, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to August 23, 2019. **Please provide an electronic version of the response for the incomplete request to be rendered complete and processed.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director
