RE: **EM-VER-086-180208** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 41 Beckwith Road, Montville, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated December 4, 2018, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a six-month extension of time until August 26, 2019 to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Re: **EM-VER-086-180208 – Cellco Partnership d/b/a Verizon Wireless

Dear Ms. Bachman:

On February 26, 2018, the Siting Council acknowledged Cellco's request for modifications to the existing telecommunications facility at 41 Beckwith Road in Montville, Connecticut. Cellco has not yet completed the approved modifications at this site. Construction is expected to begin in early 2019. In an excess of caution, we are requesting an extension of six (6) months, to August 26, 2019, to complete these modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
