Project: *Montville-Old Colchester Road*

Location: *695 Old Colchester Road, Montville, CT 06353*

Owner: *AT&T*

Engineer of Record: *Daniel P. Hamm, P.E.*
Hudson Design Group, LLC.

To the best of my information, knowledge and belief, the Special Inspections required by Chapter 17 for the project have been performed and all discovered discrepancies have been reported and resolved.

Representatives of Hudson Design Group LLC performed the Final Inspections after the construction of the telecommunications facility at the above-referenced address. The Final Inspection was performed on January 12, 2020.

Based on my knowledge, information and belief the wireless installation substantially conforms to the approved plans, IBC 2015 with 2018 CT State Building Code Amendments, Structural Standards for Antenna Supporting Structures and Antennas (ANSI/TIA-222-G), and the following:

1. Final Construction Drawings dated 03-07-2019, prepared by Hudson Design Group LLC, entitled "Montville-Old Colchester Road."
2. Final Structural Analysis dated 03-06-2019, prepared by Centek Engineering.
3. Final Mount Analysis dated 12-18-2018, prepared by Hudson Design Group LLC.

All deviations from the approved plans do not endanger the intended occupancy of the facility and equipment substitutions are approved as equivalent to the original specifications.

Interim reports submitted prior to this final report form a basis for and are to be considered an integral part of this final report.

Respectfully submitted,
Special Inspector
