RE: **EM-SPRINT-088-150701** – Sprint PCS notice of intent to modify an existing telecommunications facility located at 280 Elm Street, Naugatuck, Connecticut.

Dear Mr. Barbadora:

The Connecticut Siting Council (Council) is in receipt of your email dated March 17, 2016, submitted on behalf of Sprint PCS, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until July 20, 2017, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Sprint PCS need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Acting Executive Director
