Monopole

Dear Robert,

B+T Group is pleased to submit this "Construction Completion Letter" regarding the above mentioned Monopole.

We reviewed the photographs of the telecommunications equipment installed on the Monopole, taken on August 13, 2021. Based on the photographs provided, As Built by WNG dated August 20, 2021 and the construction drawings by B+T Group dated April 15, 2021, this telecommunications site has the following antennas and associated equipment installed in three sectors on the Monopole.

- (3) New Antennas
- (3) New Radios
- (1) New Hybrid
- Mount Modification

The quantities and types of antennas and associated equipment from the photographs are in compliance, therefore, it is our opinion that the antennas and associated equipment were properly installed.

We at B+T Group appreciate the opportunity of providing our continuing professional services to you and Crown Castle. If you have any questions or need further assistance on this or any other projects, please give us a call.
