RE: **TS-NORTHCOAST-089-011031** - Northcoast Communications, LLC request for an order to approve tower sharing at an existing telecommunications facility located at 200 Stanley Street, New Britain, Connecticut.

Dear Attorney Baldwin:

At a public meeting held November 29, 2001, the Connecticut Siting Council (Council) denied the proposed shared use of this existing tower. On June 8, 2001, the City of New Britain issued a building permit for this speculation tower with the intention for use by the wireless industry. Judge Covello's ruling of January 9, 2001, precedes the City's approval, and the Council will not at this time validate tower sharing.

Thank you for your attention and cooperation. If you should require further clarification, please do not hesitate to contact me.

Very truly yours,
