RE: AT&T Extension Requests

Dear Jayden Chase:

The Connecticut Siting Council (Council) is in receipt of your correspondence of July 11, 2025, submitted on behalf of AT&T, requesting extensions of time to submit notices of completion of construction and associated post modification inspection reports for the exempt modifications listed (see attached).

The Council hereby grants an extension of time until July 11, 2026, to submit notices of completion of construction and associated post modification inspection reports, if applicable.

This extension is granted with the understanding that the Council will be notified should AT&T need additional time to submit notices of completion and associated post modification inspection reports, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Melanie A. Bachman".
