RE: **EM-VER-091-210929** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 16 Titicus Mountain Road, New Fairfield, Connecticut.

Dear Mr. Coleman:

The Connecticut Siting Council (Council) is in receipt of your email of January 11, 2022 requesting a second extension of time to submit documentation required to make the above-referenced filing complete in response to the Council's incomplete notice dated November 9, 2021.

The Council hereby grants an additional extension of time to submit the required documentation by February 10, 2022.

Thank you for your attention to this matter.

Sincerely,

Subject: EM-VER-091-210929 / Cellco Partnership d/b/a Verizon / 16 Titicus Mountain Rd., New Fairfield, CT / Letter of Incompleteness / REQUEST FOR AN EXTENSION

CDC – DL Siting Council,

We have received a letter of incompleteness for the above mentioned site. The associated deadline to refile this information is January 10, 2021. In order to obtain the requested information of the original tower approval, we are requesting additional time in order to obtain this information and resubmit to the CDC-DL Siting Council. We have requested the Original Proof of Approval from the Jurisdiction and have been following up but have not yet received a response. We will need an additional time to complete and obtain this information and refile with the Council.

Attached you will find the Notice of Incomplete for reference. Should you need any further information concerning this request, please reach out to me at any time. I appreciate your consideration.

John Coleman

RE: **EM-VER-091-210929** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 16 Titicus Mountain Road, New Fairfield, Connecticut.

Dear Mr. Coleman:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on September 29, 2021.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the submittal. The exempt modification request lacks documentation of the original facility approval and any conditions of such approval or correspondence with the Town of New Fairfield stating that the town no longer retains records of its decision.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Centerline Communications provide documentation showing the original facility approval with conditions if any or correspondence with the town stating that there are no records of the original facility approval, on or before December 9, 2021. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to December 9, 2021. **Please provide an electronic version and one hard copy of the response for the incomplete request to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie Bachman".
