To Whom It May Concern:

In accordance with the requirements of the 2018 Connecticut State Building Code, Dewberry Engineers Inc. (Dewberry) has reviewed the completed construction activities at the above referenced project to verify they were completed in general conformance with the requirements of the construction and structural related documents.

Dewberry referenced the following:

- Construction Drawings Rev. 0 by Dewberry Engineers Inc. (Dated March 18, 2019)
- Tower Structural Analysis Report by American Tower Corporation (Dated February 6, 2019)
- Mount Analysis by B+T Group (Dated January 22, 2019)
- As-Built Construction Drawings & photos of completed construction activities provided to Dewberry by Qualtek Wireless

Based on the information and photos provided, it appears that the project has been constructed in general conformance with the applicable plans and specifications. If you have any questions, please do not hesitate to contact Dewberry Engineers Inc.

Sincerely,  
**Dewberry Engineers Inc.**
