**RE: Commencement of Construction Activity – EM-T-MOBILE-098-230508
453 Loon Meadow Road, Norfolk, CT 06058**

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that the construction activity associated with the above-referenced T-Mobile telecommunications facilities has been completed. Please see the attached construction complete photos as required by the Council.

Unfortunately, this project was not completed by Centerline Communications, and was transferred to us within the past month. Due to the time passed since the project was completed, and the transfer of the project to us, we are unable to obtain an FSSI Letter to submit with this completion letter.

If you have any questions or need any additional information regarding these facilities, please do not hesitate to contact me.

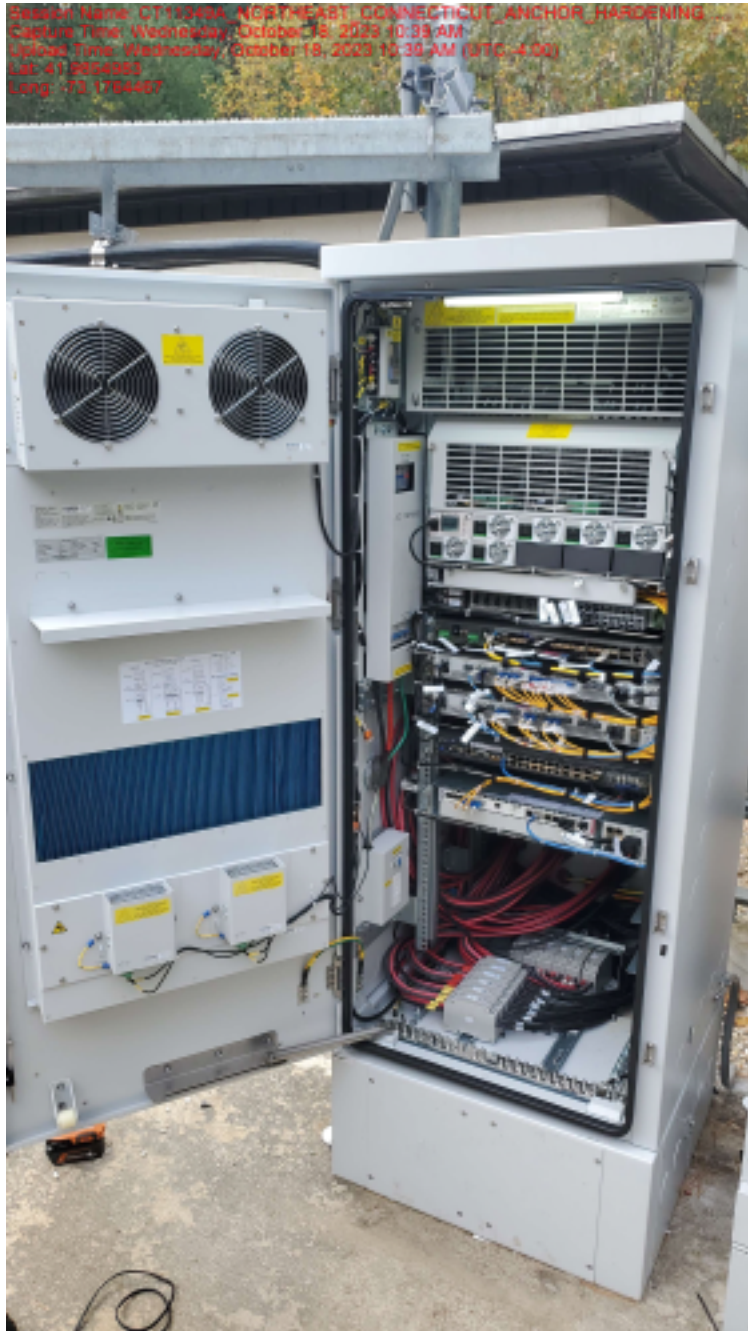

Respectfully,
Cullen Morgan
