RE: **EM-AT&T-099-221115** – AT&T notice of intent to modify an existing telecommunications facility located at 88 Parsonage Hill Road, North Branford, Connecticut. **Request for Extension of Construction.**

Dear Ryan Burgdorfer :

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time submitted on behalf of AT&T, for the above-referenced exempt modification request, dated March 1, 2024.

Pursuant to Condition No. 10 of the Council's decision letter dated January 23, 2023, the Council hereby grants an extension of time until January 23, 2025 to complete construction.

This extension is granted with the understanding that the Council will be notified should AT&T decide not to proceed with construction.

Sincerely,

Melanie A. Bachman
Executive Director

Hello,

The subject decision (attached) has expired as of 1/24/2024, however AT&T is not yet ready to begin construction.

Is it possible to have it extended for another 12 months?

Thanks
