Re: **EM-VER-099-211209 – Cellco Partnership d/b/a Verizon Wireless (“Cellco”)  
Telecommunications Facility, 88 Parsonage Hill Road, North Branford, Connecticut**

Dear Attorney Bachman:

On January 24, 2022, the Siting Council approved Cellco’s request to modify its existing telecommunications facility at 88 Parsonage Hill Road in North Branford, Connecticut. The modifications approved in EM-VER-099-211209 have not and will not be completed due to further changes Cellco now intends to make to this facility. Cellco will not, therefore, be supplying the Council with the construction completion notice required for EM-VER-099-211209. We expect to file the new exempt modification notice shortly.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
