RE: **EM-T-MOBILE-099-190703** – T-Mobile notice of intent to modify an existing telecommunications facility located at 59 Youngs Apple Orchard Road, North Branford, Connecticut.

Dear Mr. Richard:

The Connecticut Siting Council (Council) is in receipt of your letter dated December 10, 2020, submitted on behalf of T-Mobile, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby denies the request for an extension of time to modify the facility. Pursuant to Conditions 5 and 6 of the Council's decision letter dated July 29, 2019 for the exempt modification request, the Council's approval of the modification expired on July 29, 2020 and the applicant did not submit a request for an extension at least 60 days prior to the expiration.

Any modifications to this facility will require explicit notice to the Council pursuant to Regulations of Connecticut State Agencies Section 16-50j-73 and a filing fee.

Thank you for your attention to this matter.

Sincerely,

s/ Melanie A. Bachman

Dear Ms. Bachman,

T-Mobile was approved by the Connecticut Siting Council on July 29, 2019 for a proposed exempt modification at 59 Youngs Apple Orchard Road, North Branford, CT. This approval was under EM-T-Mobile-099-190703. Due to material shortages and other unforeseen issues, T-Mobile has been unable to complete construction. T-Mobile is requesting to be granted an extension on the approval. The construction for this modification is planning to be completed in early 2021.

Please contact Kyle Richers at 908-447-4716 with any questions or concerns. Thank you.

Sincerely,
