RE: **EM-ATC-101-190821** – American Tower Corporation (ATC) notice of intent to modify an existing telecommunications facility located at 50 Devine Street, North Haven, Connecticut.

Dear Ms. Gilbert:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 21, 2019.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified the following deficiencies in the submittal:

1. Sheet C-101 of the Construction Drawings (CD) prepared by American Tower and dated June 25, 2019, references a proposed 80-kilowatt emergency backup diesel generator. This is inconsistent with the rest of the request which references a 50-kilowatt emergency backup diesel generator.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that NB+C, LLC provide a CD or a revised request that references which generator is proposed, on or before September 30, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to September 30, 2019. **Please provide an electronic version and one hard copy of the response for the incomplete request to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
