To whom it may concern,

Infinigy has conducted a post-construction review and evaluation of the site referenced above. Infinigy has prepared recommendations for the aforementioned site and as such, we have conducted a final site review for the sole purpose to verify that the handrail kit installation was completed in accordance with the mount analysis.

Based on our review of the signed and sealed mount analysis for this site issued by Infinigy (Dated 02/01/2021), and the as-built drawings and post construction photographs provided by the contractor, it is our opinion that the handrail kit was installed in general conformance with the mount analysis as prepared by Infinigy.
