RE: **EM-AT&T-103-221026** – AT&T notice of intent to modify an existing telecommunications facility located 284 New Canaan Avenue, Norwalk, Connecticut.

Dear Hollis Redding:

The Connecticut Siting Council (Council) received your request to modify Condition No. 2 of its November 28, 2022 approval and the updated Structural Analysis prepared by Tower Engineering Professionals (TEP) Northeast, revised February 21, 2023, along with construction plans for the above-referenced facility on March 3, 2023. Thank you for providing this information.

Condition No. 2 of the Council's November 28, 2022 approval of the above-referenced request for exempt modification requires: Prior to the commencement of construction, AT&T shall provide a copy of the Structural Analysis referencing the Connecticut State Building Code, effective October 1, 2022.

The Council hereby acknowledges compliance with Condition No. 2 and grants your request to install three additional 7/8" co-axial cables. This approval applies only to the change described in your March 3, 2023 correspondence.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951

Sincerely,

Melanie Bachman
Executive Director
