RE: **EM-T-MOBILE-104-180822** –T-Mobile notice of intent to modify an existing telecommunications facility located at 2 Hinckley Hill Road, Norwich, Connecticut.

Dear Ms. Sabo:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 22, 2018.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the filing due to lack of notice. The property card submitted with the above request for exempt modification states the property owner as Paul H. Siedlik. However the proof of notice and letter of notice indicate that the notice was made to a Mr. James C. Irwin. This is inconsistent with the property card.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Northeast Site Solutions provide proof of notice of this exempt modification request to the correct underlying property owner on or before September 11, 2018. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to September 11, 2018.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director
