RE: **EM-VER-105-150828** - Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 189 Boston Post Road, Old Lyme, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated July 26, 2016, submitted on behalf of Cellco Partnership d/b/a Verizon Wireless, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until September 21, 2017, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Verizon Wireless need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

**189 Boston Post Road, Old Lyme, Connecticut**

Dear Ms. Bachman:

On September 21, 2015, the Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facility at 189 Boston Post Road in Old Lyme, Connecticut. Due to delays in its antenna modification program and shifting budget priorities, Cellco has not yet completed the approved antenna modifications at this site. We are, therefore, requesting an extension of one (1) year to complete these facility modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,
