The Council hereby grants an extension of time until June 30, 2016, to submit a notice of completion of construction and associated post modification inspection report for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should T-Mobile need additional time to submit a notice of completion and associated post modification inspection report or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
