RE: **TS-DISH-106-210621** - DISH Wireless LLC request for an order to approve tower sharing at an existing telecommunications facility located at 430 Middlesex Turnpike, Old Saybrook, Connecticut.

Dear Mr. Zajac:

The Connecticut Siting Council (Council) received the tower share request for the above-referenced telecommunications facility on June 21, 2021. The Council hereby denies your request to share the above-referenced existing telecommunications facility, pursuant to Section 16-50j-90 of the Regulations of Connecticut State Agencies (RCSA).

Staff reviewed this tower share request for completeness and identified a deficiency that was more fully described in a notice of incompleteness letter to the requesting entity dated August 5, 2021, recommending that Crown Castle provide a Construction Drawing (CD) that is consistent with the MA and SA or a revised MA and SA that is consistent with the antenna mounts referenced in the CD, on or before September 3, 2021. On November 4, 2021, the Council granted a third request for extension of time to submit the required information on or before December 6, 2021. To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the criteria in Section 16-50j-89 of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie Bachman".
