Re: Tower Sharing Request by New Cingular Wireless PCS, LLC
TS-ATT-106-230713
Premises: 40-3 River Street, Old Saybrook, Connecticut

Dear Executive Director Bachman:

This letter is respectfully submitted on behalf of our client, New Cingular Wireless PCS, LLC ("AT&T"), in connection with the captioned Facility for which the Siting Council issued an acknowledgment letter dated September 14, 2023 for the tower share request.

In accordance with condition 10 of the acknowledgement letter, we respectfully request an extension to September 14, 2025, to complete the tower share approved by the Siting Council. AT&T anticipates that its approved facility will be on-air by the end of this year. However, this schedule is dependent on availability of fiber. Therefore, a one-year extension is requested.

Should Council members or Staff have any questions regarding the foregoing, please do not hesitate to contact me. Thank you for your consideration of this request.

Very truly yours,
