RE: **EM-VER-108-221230** – Verizon Wireless notice of intent to modify an existing telecommunications facility located at 20 Great Oak Road, Oxford, Connecticut.

Dear Denise Sabo:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on December 30, 2022. Council staff reviewed this request for completeness and had identified deficiencies that were more fully described in a notice of incompleteness letter to Verizon dated January 3, 2023 and recommended that Verizon provide an RF Analysis including a rigorous cumulative far-field analysis for all entities on the tower that accounts for a 6-foot tall person and the actual antenna pattern for the proposed modifications to the facility with a cumulative %MPE at or below 100%, and updated construction drawings, Structural Analysis, and Mount Analysis that comport with the current 2022 Connecticut State Building Code /2021 International Building Code on or before January 30, 2023. To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

Melanie Bachman  
Executive Director

MAB/ANM/laf
