Dear Mr. Brodka,

Tower Engineering Professionals (TEP) is pleased to submit this “**Post Installation Letter**” to Crown Castle for the above referenced project. This final inspection was performed on September 6, 2023. The purpose of this inspection is to verify proper installation of Verizon’s equipment upgrades for the above referenced project, detailed in the documents listed below. This inspection is based on visual review of closeout documents and photographs prepared by the contractor. TEP personnel did not performed a site visit and tower climb as part of this inspection.

- Construction Drawings by TEP (Job No. 176678.633475 Rev 0), dated January 6, 2022.
- Structural Analysis by B+T Group, dated June 9, 2021.
- Mount Analysis by Maser Consulting Connecticut, dated December 1, 2021.
- As-Built Construction Drawings by Eastern Communications, Inc. dated August 21, 2023.
- Post-Construction Photos dated August 21, 2023, by Eastern Communications, Inc..

Based on our inspection, we have determined this project installation is **approved**.

If you have any questions or comments, please contact our office.

Sincerely,

Scott C Brantley, PE
