RE: **EM-T-MOBILE-114-211018** - T-Mobile notice of intent to modify an existing telecommunications facility located at 389 Route 2, Preston, Connecticut.

Dear Mr. Barbadora:

The Connecticut Siting Council (Council) is in receipt of your correspondence of December 10, 2021 submitted in response to the Council's November 17, 2021 notification of an incomplete request for exempt modification with regard to the above-referenced matter.

The submission renders the request for exempt modification complete and the Council will process the request in accordance with the Federal Communications Commission 60-day timeframe.

Thank you for your attention and cooperation.  
Sincerely,

A handwritten signature in black ink, appearing to read "Melanie Bachman".

Melanie Bachman  
Executive Director

Good Morning,

The attached emails are from the Town of Preston in regard to original approval documents. I have a hard copy being of the emails and letter being delivered to your office this morning. It is marked in a white envelope along with the exempt modification application package for 806376 ( East Hartford).

Thanks,

Branford, Connecticut 06405  
Attn: Chris Jardine

Dear Mr. Jardine:

I have completed my final inspection of the Tower erected on the property at 389 Route 2.

I have found that it has been erected according to code and meets all the tests to that effect.

We thank you for your diligence in the carefully planned construction which was intended to disturb the area around it as little as possible.

I finished my final inspection today, October 6, 2000.

A handwritten signature in black ink that reads "Nelson Webster". The signature is written in a cursive style with a long horizontal flourish at the end.
