**Engineering Firm Designation:** B+T Group Project Number: 93175.005.01

**Site Data:** 15 Kluge Road, Prospect, CT 06712  
Latitude 41.471239°, Longitude -72.971912°  
Monopole

Dear Ms. Pelon,

B+T Group is pleased to submit this “Construction Completion Letter” regarding the above-mentioned Monopole.

We reviewed the photographs of the telecommunications equipment installed on the Monopole, taken on August 06, 2021. Based on the photographs provided, As-Built drawings by Ramapo Communication Corp. dated August 16, 2021, and the construction drawings by B+T Group dated March 29, 2021, this telecommunications site has the following antennas and associated equipment installed in three sectors on the Monopole.

- (9) New Antennas
- (9) New Radios
- (3) New Hybrid Cables
- (1) New Handrail Kit

The quantities and types of antennas and associated equipment from the photographs are compliant, and therefore, it is our opinion that the antennas and associated equipment were properly installed.

We at B+T Group appreciate the opportunity of providing our continuing professional services to you and Crown Castle. If you have any questions or need further assistance on this or any other projects, please give us a call.

Construction Completion Letter prepared by: Bthree Barrett

Respectfully submitted by: B+T Engineering, Inc. (COA PEC.0001564 Exp. 2/10/22)
