RE: **EM-VER-118-211004** - Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 76 East Ridge Avenue, Ridgefield, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated March 30, 2023, submitted on behalf of Verizon Wireless, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants an extension of time until July 15, 2023, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Verizon Wireless need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Re: **EM-VER-118-211004 – Notice of Exempt Modification – Facility Modification
76 East Ridge Avenue, Ridgefield, Connecticut**

Request for Extension of Time to Close-Out Approval

Dear Ms. Bachman:

On March 1, 2023, the Siting Council asked Cellco Partnership d/b/a Verizon Wireless (“Cellco”) to provide documentation from an engineer, stating that Cellco’s facility modifications were completed in accordance with the Structural Analysis and Mounts Analysis included in the EM-VER-118-211004 filing. We learned today that the engineer’s letter will not be available for filing by the April 15, 2023 deadline. I am, therefore, requesting a 90-day extension to the time period within which the requested documentation must be filed.

Thank you in advance for your consideration of this request. Please contact me if you have any questions.

Sincerely,

Kenneth C. Baldwin
