Dear Jeff:

Subject: **Construction Completion Letter**

Pursuant to your request, **Network Building + Consulting Engineering Services ("NB+C")** has reviewed the Construction Drawings by NB+C dated December 07, 2021, in conjunction with closeout photos. This letter is to verify that after reviewing below listed and attached documents, no non-conforming items were noted, and that work was completed per the Construction Drawings by NB+C dated December 07, 2021. Below listed documents were used during our review.

- Construction Drawings by NB+C dated December 07, 2021.
- Close out photos provided by the GC dated November 21, 2022.

Should you have any questions or require any additional information, please feel free to contact us.

Respectfully,

NB+C ENGINEERING SERVICES, LLC
